

Spy Pond Trails Day

15th Annual

Saturday, May 11, 9 AM – 1 PM

Meet your neighbors, make an impact, try something new, and learn valuable tips for maintaining your own property. Please join us on Spy Pond, Arlington, for our 15th annual gathering to improve this scenic slice of public land so enjoyed by all. We'll be pruning vistas, bagging litter, controlling invasive plants, and maintaining access trails to the pond. This year, we are planting dogwoods to stabilize the soil and provide wildlife habitat.

Join us for as little or as much as you like. Trails Day qualifies as a community service project. Participants should bring sturdy footwear, work clothes, a hat, sunscreen, and rain gear. Liability waivers will be available and must be signed by all participants (under 18 need approval from—and are preferably accompanied by—a parent or guardian).

Equipment and snacks provided, but please pack your own lunch for after. Hosted by the Spy Pond Environment Task Group (volunteers working in partnership with the town), the Appalachian Mountain Club, and other civic groups.

Location is along the path that parallels Route 2, between Lake St. and Pleasant St. Recommended parking: take exit 60 off Rt. 2, head towards Mass. Ave. (N) on Lake St., first left onto Colonial Drive, left onto Roanoke, left and park along Spy Pond Parkway. For more info: (781) 641-2506. www.arlingtonma.gov/spypond
